

REMARKS

The Examiner noted that the reply filed on April 30, 2008 is not fully responsive to the prior Office Action because Applicants elected the species of “an effective amount of a factor as defined in claim 1” and then Applicants cancelled claim 1.

Please find enclosed a corrected response to the Office Action dated January 11, 2008 meant to replace the April 30, 2008 response. It is identical to the April 30, 2008 response except that Claim 1 was reinserted and the remarks adapted accordingly. The date was not changed nor was the petition of extension of time modified in any way. Applicants assumed that there was no need to assign a new number to the subject matter of claim 1 since as they understand it, the April 30, 2008 amendment was never entered.

Applicants believe that the response is now in order.
